Dear Citizens

Following the release of the Gartic files, which reportedly led to the arrest of five minors, we have faced significant public backlash and have been banned in several countries due to concerns over inappropriate content. We have also received numerous emails, protests, and serious threats demanding the full release of the files.

Dear Mr. McGarrity and Gartic Phone Headquarters

If you don't release the Gartic files immediately ME AND MY HOMEGIRLS ARE PULLING UP TO THE FUNCION, WE GUNNA RAID THE ENTIRE GARTIC PHONE HEADQUARTERS UNTIL WE FIND THE FILES. IF WE HAVE TO MURDER, WE WILL AS THIS NEEDS TO BE RELEASED
